

Arizona Department of Education Standards & Assessment Division

School Safety & Prevention

2008-2009 Trainings

Vision:

All Arizona schools and communities understand the link between school safety, positive youth development, and academic success and demonstrate their commitment to implementing comprehensive, model approaches that promote student health, well being, and success in life.

Mission:

The mission of School Safety and Prevention is to provide leadership and resources that promote positive youth development and school safety and thereby enhance the academic achievement of Arizona youth.

Programs:

Safe and Drug-Free Schools Program (Title IV) is a US Department of Education program that provides resources to schools to foster safe and drug-free learning environments that support student academic achievement.

Chemical Abuse Prevention Program is funded by the State of Arizona for the purpose of supporting school-based substance use prevention education.

HIV/STD & Sexuality Education Program is funded through a grant from the Centers for Disease Control and Prevention and serves to enhance school-based HIV/AIDS & sexuality education efforts. Training and technical assistance are provided on effective curriculum, strategies and policies.

School Safety Program is a state-funded program that places school resource officers or probation officers in selected schools. The goals of the program are to create safe environments that are conducive to teaching and learning and to teach Law Related Education for promotion of good citizenship.

School Safety & Prevention Workshops (Appropriate for Anyone Working in or with Schools)

Az SAFE Implementation Workshop

September 25, 2008

Desert Willow
4340 E. Cotton Center Blvd.
Suite 100
Phoenix, AZ 85040

October 1, 2008

Westward Look Resort
245 E. Ina Road
Tucson, AZ 85704

October 16, 2008

Little America
2515 E. Butler Avenue
Flagstaff, AZ 86004

October 24, 2008

Black Canyon
9440 N. 25th Avenue
Phoenix, AZ 85021

November 10, 2008

Yuma School District One
Elementary Board Room
450 W. 6th Street
Yuma, AZ 85364

December 9, 2008

Black Canyon
9440 N. 25th Avenue
Phoenix, AZ 85021

Objective: This workshop will provide an overview of Arizona Safety Accountability for Education (Az SAFE). Az SAFE is the new data collection and reporting initiative for safety and discipline incidents to begin the 2009-2010 school year. Six workshops are being held to review the requirements, answer questions about the requirements, and offer guidance on how to proceed this year in preparation for next school year.

Outcomes:

- Understand the purpose of the Az SAFE Initiative
- Discuss Az SAFE requirements, terms, and definitions
- Learn about the Az SAFE technical requirements and options
- Prepare for the 2009-2010 school year
- Be introduced to and gain knowledge of the Az SAFE online system

Presenters:

Jean Ajamie, *Director, School Safety and Prevention, Arizona Department of Education*
Sue Habkirk, Ph.D., *Az SAFE Grant Coordinator, Arizona Department of Education*
Debi Neat, M.Ed., *Safe and Drug-Free Schools Trainer, Phoenix Union High School District*
Sharon Tubick, M.Ed., *Educational Consultant, Arizona Department of Education*

Register online at:

www.ade.az.gov/online/registration (Standards & Assessment: School Safety and Prevention)

“Creating a respectful, caring, and intentionally inviting learning environment is the surest way to encourage student achievement.”

- Jane Bluestein, Creating Emotionally Safe Schools

What To Do About Bullying: Thinking Outside of the Box

October 10, 2008

Office of the Pima County
School Superintendent
Regional Support Center
6420 E. Broadway, A-100
Tucson, AZ 85710

November 12, 2008

AZ Department of Education
Conference Room 105C
2005 N. Central Avenue
Phoenix, AZ 85004

Objective: To provide the knowledge, skills, strategies, and resources necessary to reduce current and future bullying occurrences in school settings.

Outcomes:

- Learn to identify bullying behaviors
- Understand attitudes and conditions that promote bullying
- Attain skills and strategies for dealing with and reducing bullying behaviors
- Examine a variety of intervention strategies

Presenters:

UA LINKS Training Team
Maryann Judkins, M.A., *University of Arizona*
Andrea Richards, B.A., *University of Arizona*

Register online at:

www.ade.az.gov/onlineregistration (Standards & Assessment: School Safety and Prevention)

Arizona Department of Education Mega Conference

November 18-20, 2008

Renaissance Hotel at the Glendale Sports Complex
9495 W. Coyotes Boulevard
Glendale, AZ 85305

The MEGA Conference is an annual conference which focuses on Title I of NCLB. Also included in the conference will be diverse subjects in the education field from arts education to character education, fiscal compliance to dropout prevention. There will be breakouts packed throughout the three day conference offering many ways to expand your knowledge and skills in the education field. The School Safety and Prevention unit is offering breakout sessions to bring you the most up-to-date information on strategies and promising practices that will support a safe and healthy school environment and impact student achievement. The breakout sessions offered at the conference will include:

- Cyberbullying
- School Culture and Climate
- Teen Dating Violence

Register online at: www.ade.az.gov/onlineregistration (Academic Achievement)

School-Based Threat Assessment and Management Training

November 6 and 7, 2008

Black Canyon Conference Center
9440 N. 25th Avenue
Phoenix, AZ 85021

Objective: This two-day training will assist school personnel with developing and incorporating best practices of threat assessment and management procedures in schools by providing an understanding of the underlying rationale for the development of Threat Management Team (TMT) processes and procedures.

This training will provide information about the nature of school violence, including the most recent research and personal biographies of school shooters, including a recent video interview with an inmate perpetrator of school violence. Participants will return to their schools and district with sufficient knowledge to begin to develop effective procedure to ensure school safety relative to threats.

Outcomes:

- Learn an overview of the TMT processing protocol
- Understand the goals and phases of the TMT procedures
- Review sample cases to become familiar with the TMT protocol
- Learn how these procedures have been utilized in Arizona schools

Presenters:

Oscar Meehling, Ph.D., *President, Professional & Administrative School Services*
Gina Durbin, M.Ed., *Director Support Services, Cave Creek Unified School District*
Debi Neat, M.Ed., *Safe and Drug-Free Schools Trainer, Phoenix Union High School District*

Register online at:

www.ade.az.gov/onlineregistration (Standards & Assessment: School Safety and Prevention)

Overcoming the Effects of Family and Economic Stressors on Learning

February 3, 2009

AZ Department of Education
Conference Room 105C
2005 N. Central Avenue
Phoenix, AZ 85004

Objective: To provide the knowledge, skills, and strategies necessary to understand the various stressors in children's lives and how these affect academic success.

Outcomes:

- Learn about various stressors children face in their lives
- Explore different strategies and approaches regarding academic issues resulting from family and economic stressors
- Examine strategies and approaches to identify and improve student behavior issues

Presenters:

UA LINKS Training Team
Maryann Judkins, M.A., *University of Arizona*
Andrea Richards, B.A., *University of Arizona*

Register online at:

www.ade.az.gov/onlineregistration (Standards & Assessment: School Safety and Prevention)

Hook Us Up! Helping Students Feel Connected to School

March 19, 2009

Office of the Pima County
School Superintendent
Regional Support Center
6420 E. Broadway, A-100
Tucson, AZ 85710

Objective: To provide the knowledge, skills, and strategies necessary to create a more positive school culture where students can feel connected, safe, and be successful.

Outcomes:

- Learn about positive school climate and culture
- Understand the correlation between school connectedness and resiliency
- Examine the strengths of one's school and discuss how to improve student connectedness in schools

Presenters:

UA LINKS Training Team
Maryann Judkins, M.A., *University of Arizona*
Andrea Richards, B.A., *University of Arizona*

Register online at:

www.ade.az.gov/onlineregistration (Standards & Assessment: School Safety and Prevention)

Reaching Out: Involving Families (In More Ways Than One)

April 27, 2009

AZ Department of Education
Conference Room 105C
2005 N. Central Avenue
Phoenix, AZ 85004

Objective: To provide the knowledge, skills, and strategies necessary to improve family involvement in school-based programs.

Outcomes:

- Learn and discuss types of family involvement in schools
- Explore what family involvement looks like at various schools
- Identify what areas of family involvement can be strengthened, and how this can lead to student success

Presenters:

UA LINKS Training Team
Maryann Judkins, M.A., *University of Arizona*
Andrea Richards, B.A., *University of Arizona*

Register online at:

Prevention through Law-Related Education (LRE)

LRE is the teaching of rules, laws, and the legal system that actively involves students to prepare them for responsible citizenship. The ADE partners with the Arizona Foundation for Legal Services and Education (AzFLSE) to make LRE available for school safety officers, teachers, and administrators throughout the state. The cost of attending these academies varies, so please contact the Arizona Foundation for Legal Services and Education at 602-340-7260 or visit <http://www.azflse.org/Academy/>. Trainings are free for school administrators, teachers, and supervisors who work directly with School Safety Program officers.

Please refer to pages 11-13 for an abbreviated list of LRE Academies available through the Foundation. Registration is available online at <http://www.azflse.org/academy>.

Multi-Hazard Safety Program for Schools

ADE partners with the Arizona Division of Emergency Management (ADEM) to present the Multi Hazard Emergency Planning for Schools course. The course provides school personnel and first responders with a basic knowledge of emergency management principles, the Incident Command System and the tools and resources to design and/or strengthen their all hazards emergency response plan. To request this course please contact your county emergency management agency and your request will be forwarded from the county to ADEM.

You may download the event request form at:

http://www.dem.azdema.gov/preparedness/docs/event_request.pdf

Arizona county emergency management information can be obtained at:

<http://www.dem.azdema.gov/countymap.html>

This course includes:

- An overview of School Emergency Response Plans
- Prevention, Response, and Recovery strategies
- The Emergency Response planning process
- The development of an Emergency Response Team
- Procedures regarding different emergency situations
- Incident response job descriptions

Safe and Drug-Free Schools (Title IV) Coordinator Workshop

Title IV/Chemical Abuse Prevention Program Workshop

September 5, 2008

Radisson Woodlands Hotel
1175 West Route 66
Flagstaff, AZ 86001

September 19, 2008

The Flinn Foundation
1802 N. Central Avenue
Phoenix, AZ 85004

Objective: To support the development of effective prevention programming that fosters a safe and drug-free learning environment that promotes student success.

Outcomes:

- Understand the Principles of Effectiveness (NCLB)
- Preview the application for SY 2008-09
- Understand the reporting requirements for the current school year

Register online at:

www.ade.az.gov/online/registration (Standards & Assessment: School Safety and Prevention)

Title IV/Chemical Abuse Online Prevention Training Course

Objective: To assist LEAs, specifically new prevention coordinators, prevention staff, and administration, with their planning and development of effective prevention programming that fosters a safe and drug-free learning environment that promotes student success.

Outcomes:

- Learn about the Principles of Effectiveness (NCLB)
- Understand why effective implementation is crucial to your program evaluations
- Evaluate an application and determine whether the application will be approved based on what you have learned

Registration:

The Online Prevention Training is currently available through IDEAL (open entry, open exit by request only) at <http://www.ideal.azed.gov/> and will be accessible until November 21, 2008.

You will need an IDEAL user name and password to access the online training. If you do not have a user name and password, you may call the IDEAL Helpdesk at 480-965-9411 or e-mail the Helpdesk at support@ideal.azed.gov.

Once you have your IDEAL user name, contact Tori Havins at 602-542-8720 or Victoria.Havins@azed.gov so that she may add your user name to the participant list for the online training. Once your user name has been added, you will be given directions for accessing the online training.

Clearinghouses and Resources for:

- **School Safety**
- **Drug and Violence Prevention**
- **HIV/STD Prevention**
- **Sexuality Education**

The clearinghouses in Phoenix and Tucson maintain free lending libraries where educators may view and borrow new and updated books and curricula on substance abuse, bullying prevention, and curricula approved by the Arizona Department of Education Material Review Committee (MRC) for HIV/STD Prevention and Sexuality Education.

For a complete listing of the curricula approved by the MRC, go to <http://www.ade.az.gov/sa/health/hiv/ResourceCatalog.pdf>

Law Related Education Resource Library

The Arizona Foundation for Legal Services & Education Resource Library also houses over 2,500 law-related education materials including videos, software, books, curricula, and lesson plans. Materials are available on a loan basis for a two-week period.

Resource Library Hours: Monday – Friday, 9:00 a.m. to 4:00 p.m.

Materials can be checked out at www.azflse.org/azflse/library/index.cfm.

School Safety Program Workshops

On the Mark with the School Safety Program –

Leadership (Administrator) Training and New Officer Training

September 8 – 12, 2008

* Leadership Training held
on September 8 or 10

Phoenix Mountain Preserve
1431 E. Dunlap
Phoenix, AZ 85068

September 29 – October 3, 2008

*Leadership Training held
on September 29

Westward Look Resort
245 E. Ina Road
Tucson, AZ 85704

October 14 – 17, 2008

*Leadership Training held
on October 14

Little America
2515 E. Butler Avenue
Flagstaff, AZ 86004

January 26 – 30, 2009

*Leadership Training held
on January 26

Black Canyon Conference Center
9440 N. 25th Avenue
Phoenix, AZ 85021

School Safety Program Leadership Training (Administrator Training)

This one-day workshop covers the Program's philosophy, requirements, individual stakeholder roles, and school safety related topics. District and school administrators, as well as agency supervisors, regardless of prior attendance, are required to attend annually.

Continuing officers are encouraged to attend this training with their administrator and/or supervisor.

New School Safety Program Officer Training

This one-week workshop covers school-based policing and prevention, the role of the school-based officers, and an introduction to LRE. All officers new to the School Safety Program, or who have not attended a Basic LRE Academy, are required to attend.

Register online at:

www.ade.az.gov/onlineregistration (Standards & Assessment: School Safety and Prevention)

Seating is limited.

For additional information, please contact Dave Riggs at (602) 542-8730 or e-mail

Davidson.Riggs@azed.gov.

Academy Information for Law-Related Education (LRE)

LRE is the teaching of rules, laws, and the legal system that actively involves students to prepare them for responsible citizenship. LRE provides instruction in legal rights, responsibilities, and the role of the citizen and requires students to practice the application of law in potential real-life situations. Through expanded LRE Academy training and resources, the Arizona Legal Foundation

for Legal Services & Education, in partnership with the Arizona Department of Education, will equip Arizona educators with the necessary knowledge and skills to implement LRE curricula. School safety program officers are required to attend an advanced LRE academy annually. Trainings are available at no cost for school administrators, teachers, and supervisors who work directly with School Safety Program officers (seating is limited).

To obtain topic descriptions and/or registration, please contact the Arizona Foundation for Legal Services and Education at 602-340-7260 or visit www.azflse.org/Academy.

Academy courses will be held from 8:30 am to 5:00 pm at the following locations:

Black Canyon Conference Center by Sodexo
9440 N. 25th Avenue
Phoenix, AZ 85021

Arizona Foundation for Legal Services & Education
4201 N. 24th Street
Phoenix, AZ 85016

** When registering, please check for exact training location.*

The Advanced LRE Academy Courses address grade level specific topics and/or programs identified by officers and educators as critical to meeting the learning needs of diverse student populations.

The Arizona Foundation for Legal Services & Education will offer the following Advanced Academy courses:

Elementary Academy

Young Detectives: An Introduction to Crime Scene Investigation for Upper Elementary
September 2, 2008

Start at the Beginning: Early Drug Prevention
January 13, 2009

Foundations of Democracy
February 4, 2009

Holiday Inn Express
620 E. Wetmore
Tucson, AZ 85705

January 23, 2009

AZ Department of Education
Conference Room 106C
2005 N. Central Avenue
Phoenix, AZ 85004

Objective: To provide quality, interactive skills-based professional development for educators that includes a variety of approaches to effective sexual health education. Participants will gain a new perspective on the characteristics of educational approaches and methods that create effective sexual health education.

Outcomes:

- Acquire knowledge of effective sexual health education
- Apply the development of motivation and critical insight to sexual health education
- Develop skills to present effective sexual health education
- Learn how to create an environment conducive to sexual health education

This training will provide educators with a sequential overview and holistic perspective of how developmentally appropriate sexual health/HIV prevention education can be implemented beginning in kindergarten through grade 12. Fundamental youth development concepts will be highlighted. Educational approaches and methods of effective sexual health education, which accommodate the needs of youth at different ages and stages in their lives, will be featured. A multidimensional perspective of the concept of sexuality which is shaped by biological, psychological, social, and cultural factors will be conveyed. Participants will take part in a combination of engaging experiences that aim to help educators personalize the information as well as enhance further knowledge, understanding, confidence, and essential skills in becoming a resourceful sexual health educator.

Register online at:

www.ade.az.gov/online/registration (Standards & Assessment: School Safety and Prevention)

On-site Curriculum Trainings

The Arizona Department of Education has assembled a cadre of trainers to provide one-day, on-site curriculum training for school personnel. Schools can arrange for educators to be trained in either *Making A Difference!* (grades 6-9) or *Reducing the Risk* (grades 9-12). Both curricula are research-based and emphasize abstinence, personal-limit setting, and refusal skills. Curricula can be tailored to focus on sex education or HIV prevention. These trainings are designed for educators who have a basic understanding of HIV and other sexually transmitted diseases. There is no cost to

the district for the curriculum materials and training, but trainings require a minimum of 10 participants who will implement the curriculum within a year.

For more information about the curricula, access the “Research-Based HIV Prevention Curricula Chart” at <http://www.ade.az.gov/sa/health/hiv/Research-Based%20HIV%20Prevention%20Curricula%20Chart1.pdf>.

To schedule on-site curriculum training, access the Sex Education/ HIV Prevention Curriculum Training Form at <http://devweb1/sa/health/downloads/SexEdHivPrevTrainForm.pdf>.

To request to be added to the Arizona Adolescent School Health Listserv, please e-mail Jason.Trujillo@azed.gov.

“School programs need to recognize the bi-directional connection between health and education. Children must be healthy in order to be educated and children must be educated in order to stay healthy.”

- Public Health Reports

Grants Management Reference Information

Grant	Max. Carryover	Max. Interest Carryover	Amendment Deadline	Completion Deadline
Title IV (Safe & Drug-Free Schools)	25% of reporting year's allocation*	\$100	90 days prior to close date	90 days after close date
State Chemical Abuse	\$0**	\$0***	March 31	September 30
School Safety Continuing applicants	\$0**	\$0***	March 31	September 30

* E-mail Charlene Surber (Charlene.Surber@azed.gov), Business Manager, School Safety and Prevention, to request a waiver to carryover more than 25% of the previous year's allocation.

** The local educational agency (LEA) will retain any cash on hand and amend into next year's approved project. ADE will carryover any undisbursed State funds to the next year's approved project. These amounts will not increase your budget amount. The allocation to be disbursed will be reduced by that amount.

*** All interest has to be returned.

Additional Funding Opportunities

For details regarding additional grant opportunities, see the Funding Forecast posted on the U.S. Department of Education Website:

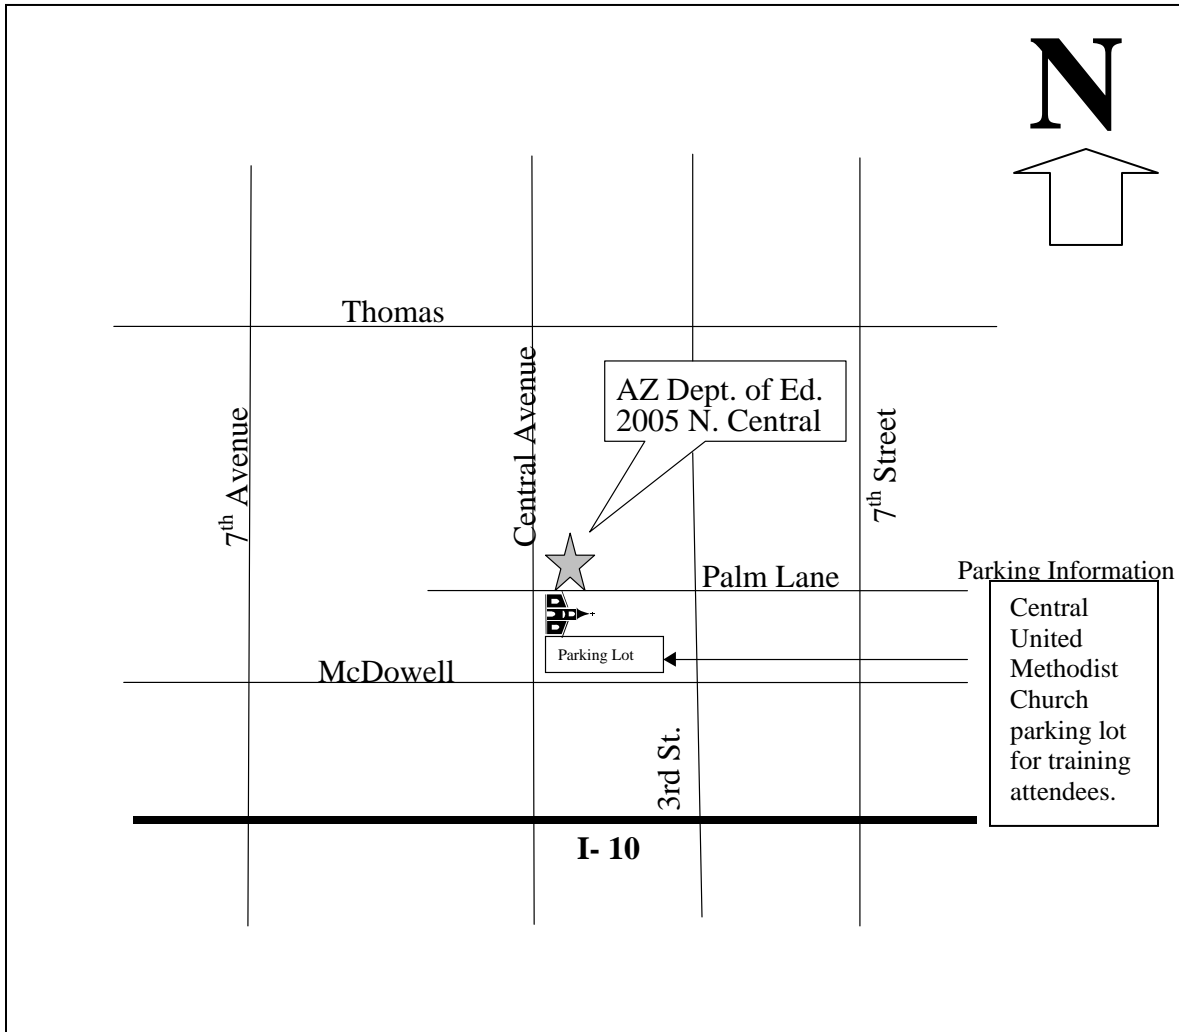

<http://www.ed.gov/fund/grant/find/edlite-forecast.html>
